

471-000-532 Nebraska Medicaid Practitioner Fee Schedule for Mental Health and Substance Abuse Services

This fee schedule lists the procedure codes and rates for mental health and substance abuse services. Each procedure code is listed with the Medicaid fee schedule allowable for the type of provider. Payment is the lower of the fee schedule allowable or the provider's submitted charge. The provider's submitted charge must reflect their charge to the general public.

Procedure Code Descriptions:

- For CPT procedure code descriptions, refer to the most recently published edition of the American Medical Association's Current Procedural Terminology (CPT). CPT procedure code manuals are also available through private vendors. CPT codes, descriptions and other data only are copyright 2003 American Medical Association (or such other date of publication of CPT). All Rights Reserved. Applicable FARS/DRARS Apply.
- HCPCS procedure codes are defined by the Centers for Medicare and Medicaid Services (CMS). For HCPCS procedure code definitions, refer to the CMS web site at <http://www.cms.hhs.gov>. HCPCS procedure code manuals are available through private vendors.

[illegible]

The five-digit numeric codes included in the Schedule are obtained from the Physicians' Current Procedural Terminology, Fourth Edition, Copyright 2002, by the American Medical Association (CPT). CPT is a listing of descriptive terms and numeric identifying codes and modifiers for reporting medical services and procedures performed by physicians. This Schedule includes CPT numeric identifying codes for reporting medical services and procedures which are copyrighted by the American Medical Association.

The Schedule includes only CPT numeric identifying codes for reporting medical services and procedures that were selected by the Nebraska Department of Health and Human Services, State of Nebraska. Any user of CPT outside the Schedule should refer to the Physicians' Current Procedural Terminology, Fourth Edition, Copyright 2002. This publication contains the complete and most current listings of descriptive terms and numeric identifying codes and modifiers for reporting medical services and procedures.

No codes, fee schedules, basic unit values, relative value guides, guidelines, conversion factors or scales are included in any part of the Physicians' Current Procedural Terminology, Fourth Edition, Copyright 2002 by the American Medical Association.

All unit values and maximum allowable fees are the exclusive property of the Nebraska Department of Health and Human Services and are not covered by the American Medical Association CPT copyright.
